MEMORANDUM FOR: Members of Ad Hoc Requirements Committee
SUBJECT: Future Meeting

1. A meeting of the Ad Hoc Requirements Committee for AQUATONE is called for 10:00 a.m. Friday, 23 January 1957.

2. The following two items are scheduled for discussion:

a. Re-examination of the schedule for flights over the Middle East. Comment: The question has been raised as to whether daily flights are really necessary. Each agency is requested to examine carefully its needs in this regard as a basis for this discussion.

b. Air Force proposal for flights over Afghanistan and requirements pertaining thereto. Comment: The Chairman has received a requirement noting that there are numerous reports of varying degrees of reliability regarding Soviet jet aircraft located in Afghanistan. The following four targets are submitted by the Air Force:

1) Manar-I-Sharif	3640N-6701E
2) Kabul/Khwaja Rawash	3434N-6912E
3) Kandahar	3137N-6545E
4) Kandahar International Aprt	3130N-6550E

and other business as the members may care to raise.
